WELCOME BACK

We have another wonderful school year planned. This is our 5th year and we look forward to expanding our vocational opportunities and community experiences.

Please plan on attending the **Open House on the 20th.**

It is important for us to have accurate contact information and addresses so we can begin our bus routing. **Please call if any information has changed.**

Students are required to wear navy or khaki bottoms and any plain color polo type collared shirt.

Students not in uniform will be asked to change or parents called to bring clothes.

It is very important that students have a change of clothing, including undergarments, in their locker at all times. Students are responsible for supplying any personal hygiene items. The school is not permitted to supply undergarments, wipes, or feminine products.

Lunches are \$3.00 or reduced price \$.75. We will be sending home the forms to apply for free or reduced lunches on the

first day of school. New forms must be completed each year. You will be notified the same day your form is received. Forms must be returned the 2nd day of school. Students may bring lunch if they wish. Please pack in insulated containers. They may buy drinks.

Supply List

Pencils, paper, ruler, crayons, box of tissues, glue stick and kitchen fee.

We charge a yearly \$10 kitchen fee to stock the basic supplies for cooking.

NEW STAFF AND NEW STUDENTS

We welcome our new teacher Mr. Silvia and Mrs. Poore will be our new Paraprofessional.

We are very happy to have new students: Christian, Dustin, Hunter and Rachael.

Penny Power

Last year, saving one penny at a time led to lots of fun possibilities. We also came to understand that when you save you have the power to make choices. Our pennies have POWER!!! So this year's campaign is called Penny Power. Please start saving your pennies!!!!
