Great Start To Our 7th Year

We have had a wonderful first week of school. Thank you for your support and having your student well prepared for class. The students and staff were very excited to get back in to their school routines.

There was a lot of important information in the folder you received at Open House or was sent home the first day. Please review the Student Code of Conduct and return the Directory

information sheet to school as soon as possible. This is the form that states your wishes on the release of information to certain agencies. Please read carefully and respond. We also need the blue card completed with up to date information. Even if you have no changes we would appreciate having the new card. We keep these for emergencies so please be sure the back is also completed.

Please be sure your student has a change of clothes in his/her locker. We do not keep undergarments and our tops and pants are limited. Students are uncomfortable if they have to change into something that doesn't fit.

We do many projects that require supplies for our kitchen. Please try to send the \$10 kitchen fee as soon as you are able if you have not done so already.
