Welcome Back to A New School Year

We have another great school year planned. Please plan on attending our Open House on August 4. Teachers will be available from 5:00-7:00 PM. They look forward to meeting you and discussing their program. You are welcome to make an appointment for an individual parent-teacher conference for another time if you wish. We want you to meet all of the staff, as one of our school's strengths is its team approach to meeting your student's needs.

Uniforms

Students are required to wear navy or khaki bottoms and any plain color polo type collared shirt. Students not in uniform will be asked to change or parent may be called to bring a change of clothes.

It is very important that students have a change of clothing including undergarments. Students are responsible for supplying any personal hygiene items.

We are not permitted to give students any personal hygiene products .

Lunches

Lunches are \$3.00 and reduced price for qualifying students is \$.75. We will be sending home the applications for free or reduced price lunches on the first day of school. These must be returned by Friday of the first week. Students may bring lunches if they wish. Please pack your lunch in an insulated container.

Water may be purchased for \$.50.

Contact Information

It is important for us to have updated information on students at all times.

So, please call this summer with any address or phone number changes.

Our bus routes will be established the end of July, therefore we need to have all accurate information.

Medications

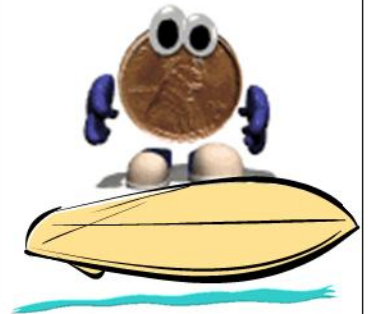

If your student is to receive medication during the school day, we must have the appropriate forms from the doctor before we can administer any medication. Please stop by the school or pick up the necessary forms at Open House and have them completed by the first day of school.

NO meds will be given without the proper paperwork.

Bus Information

We will have bus routes at the Open House. All of our students are Door-to-Door so it is very important that you notify the driver in the morning if your student will not be attending. Students need to be ready to board the bus quickly. Parents, please refrain from asking drivers questions as they need to stay on the schedule to assist all parents. Please call the office if you have any concerns. Drivers are not permitted to receive text messages and will not be able to engage in conversations while driving, so please leave brief messages. This is for our student's safety. Please also call the office when your student is going to be absent. It is not the driver's responsibility to relay messages.
