This Week at L.I.F.E.

The students are planning for their special holiday luncheon. Each class has certain responsibilities for the preparations and the decorations for a wonderful Thanksgiving student luncheon on November 19. **Every student must pay for lunch (\$3) on that day. Please have your student's money in no later than Monday the 16th.**

We are still selling dog biscuit. Please place your holiday order early for that special puppy on your list.

We have a CBI on November 30. Please watch for permission slips.

The students are building bird houses as part of our math and science curriculum. The campus has so many beautiful birds that will enjoy the bird houses we are making.
