## This Year at L.I.F.E.

We are trying very hard to grow our student population. This year we have a large number of graduates and we will need to replace those students. Of all of the marketing we have tried, we've found that most new students come from parent referrals. So, please make it a point to share L.I.F.E. Academy with everyone. We placed brochures in your student's Open House packet. If you need more, please send a note or call and we

will get them to you. Thanks so much for helping us grow!!

This year we are going to try to do some more fundraising and we need a few parents to volunteer to form and head a fundraising committee. Please contact the school if you would like to help with fundraising.

Please save **Box Tops for Education** for us.

In order to help our penny campaign we are now giving the students raffle tickets for bringing in pennies. At the end of each week we will have a drawing and students may pick a prize from the "Prize Box".

50 pennies = 1 ticket

100 pennies = 3 tickets

## Notifications

We are required to notify parents if there are teachers who are teaching Out-of-field.

We are proud to announce that all of our teachers are in

field.

We also are required to have copies of the NCLB Spar and AYP reports in the school available for anyone to view.

## Oct. Birthdays

Happy Birthday  
Jesse, Stephanie,  
Jeff, Josh H. and  
Naomi
