The End of Another Great Year

May was a busy month. Students had a CBI to the public library, and visited their peer classroom. Our Penny Power campaign allowed us to have a special outing to Mike Greenwell's Family Fun Park for a wonderful fun-filled day, some students had a picnic with their class at Edgewood also. Please note next weeks schedule:

Monday:
normal school day

Tuesday: Penny Power trip to Gator Lanes. Students will not need money or lunch because everything will be provided.

Wednesday, Thursday and Friday:
School will be dismissed at 12:30.

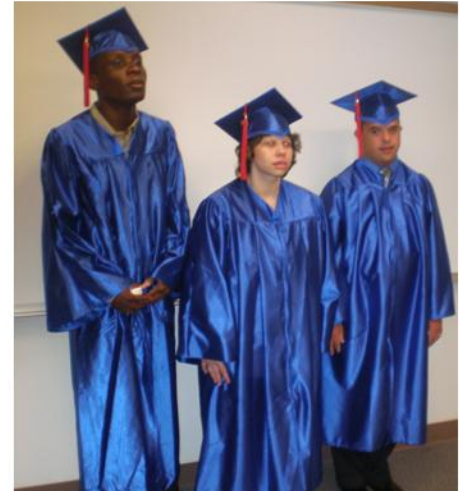

Students will be home approximately 2 hours earlier than normal. Please keep in mind that traffic patterns differ during the day so the bus may not be exactly 2

hours early. Medications normally given at 12:30 will NOT be given on these days without parental permission.

We are so close, please help us reach our penny goal!!

Happy Summer Birthday in June to: Janette, Mary, Brandon, Tiffany, Jennifer, Michael A., Nathan and Shawn.

July: Ms Gadsen, Ms Oliveio, Brittanie, Eric, Savannah, Paul, and Michael G.

Penny Power

Mrs. M&M	82,700
Mr. Silvia	30,583
Ms Gadsden	29,114
Ms Caudill	25,889
Total	168,286
Week goal	181,352
Goal	200,000

Summer News

The students are bringing home a decorated milk carton. If they bring it back to school full of pennies after the summer, they will receive a special prize. The class that won the decorating contest will have jeans passes for

next week.

We will be sending out a July newsletter with information for next school year. Please call us if your address changes over the summer. We need accurate information to route the busses.

Open House is scheduled for August 4. School begins August 8.
